The mirror cabinet features a translucent shelf with an integrated indirect light source that illuminates both the inside of the cabinet and the washbasin beneath. A special feature: the distinctive look of the Fogo front is echoed in the mirrored doors. The mobile container with large handle and smooth-closing pull-out compartment and interior drawer. Finish: Limed Oak (real wood veneer).

Vanity units to match the Vero washbasins are available in widths 45 cm to 120 cm.

The furniture console, shown here in American Walnut (real wood veneer), is available in varying widths up to a maximum of 200 cm. In this variation, the console supports become practical towel rails. The console basin (width 100 cm) from the Vero range is available for either one or two tap fittings.

You can never have enough storage space in the bathroom. Fogo offers a variety of practical and attractive solutions, e.g.: (left) washbasin vanity unit with large interior drawer. (1) Console with drawer in Limed Oak (real wood veneer). (2) Semi-high cabinets, closed, 80 x 50 x 25 cm. (3) When opened, the semi-high cabinets reveal lots of extra space in the cabinet door, as well as functional glass shelves with rims. (4) Console with abundant storage space and practical towel rail. Finish, apart from with (1): American Walnut (real wood veneer).

(left) The vanity units and all Fogo furniture match the consoles and feature distinctive chrome handles. (1) There is an extra drawer inside the pull-out unit of the vanity, which helps keep things even tidier. (2) Thanks to the glass shelves with rim, the inside of the 8 cm thick cabinet door offers space for all smaller bathroom toiletries. The robust hinges are easy to adjust. (3) With dimensions of 176 x 50 x 42 or 23 cm, the tall cabinet proves to be a particularly spacious storage miracle.
