

The name says it all: X-Large offers a tremendous amount of storage space and endless possibilities for bathroom design without appearing weighty. And despite its name, XL furniture offers great solutions for XS bathrooms too.

X-Large

Design by Sieger Design

Every bathroom needs storage space. X-Large provides it in abundance while preserving the bathroom's spaciousness. X-Large's ingenious shape and special design features ensure that the furniture will always appear solid and durable while emanating a sense of buoyancy. This is thanks to its chic finishes, narrow consoles and furniture fronts made of translucent glass – all of which embody Duravit's top-quality craftsmanship. A diverse product range consisting of a wide variety of dimensions and combinations, X-Large has just the right storage solution for every room and every style, from the large private bathroom to the small powder room.

The Wenge finish (décor) gives X-Large a strikingly sleek appearance. The spacious washbasin vanity unit and low cabinets are 55 cm deep. There's plenty of storage space behind the drawers inside the furniture, while the siphon is easily accessible and concealed behind the chrome apron. The elegant mirror is available in widths 46 to 120 cm. Practical: the integrated glass shelf. Convenient: the integrated lighting.

(left) X-Large in White High Gloss (paint). To achieve the typical gloss effect, the furniture is painted several times. This process also applies to the new high-gloss Cappuccino finish (paint). The handles that extend along the entire width of the drawers and pull-out elements are a characteristic feature of the range. **(top)** Mirror and vanity unit, both 60 cm wide. The X-Large tall cabinet appears modern and lightweight thanks to its frosted glass door. X-Large looks particularly elegant in the Wenge (décor) wood finish, which creates a distinctive contrast to the aluminium handles.

X-Large in the Oak Anthracite (real wood veneer) finish. High-quality wood grain with a protective melamine coating yields furniture that is waterproof and easy to care for. **(below)** A floating effect is created thanks to an invisible attachment: the practical wall board in widths 60, 80 and 120 cm. **(right)** The vanity units, crafted for consoles and panel tops, feature a compartment with glass shelf; the siphon remains concealed behind a rear wall but is still easily accessible.

X-Large features a host of big ideas for small bathrooms. For example: **(left)** The 30-cm wide side cabinet with removable chrome basket for towels is ideal for the powder room. Shown here in Oak Anthracite (real wood veneer). **(top)** The handrinse basin vanity unit configurations with door or drawer with chrome basket make the guest bathroom or powder room even cozier; shown here in Teak (decor). The handrinse basins shown in both images are from the Vero range.

Light, friendly, natural: this is the effect of X-Large in Natural Oak (real wood veneer). **(left)** The vanity unit with long extending drawer offers enough space for two. To match: the mirror cabinet in 120 cm width. **(1)** The inside of the drawer – with self-closing function and SoftClose technology – can be individually designed with glass dividers and containers. **(2)** Vanity unit with Starck 3 washbasin (80 cm width) and mirror cabinet. The integrated light strips ensure optimum illumination. **(3)** Aluminium handle. **(4)** In combination with the Vero furniture basin.

X-Large is undoubtedly eye-catching in the new Teak (decor) finish. The tall cabinet – available in widths 30, 40 and 50 cm – is tall and deep, yet compact. It creates plenty of modern-looking storage space for both larger and smaller bathrooms. When paired with wall boards, a side cabinet, washbasin vanity unit and mirror, X-Large creates an incredibly versatile and inviting bathroom.
